

**STATEMENT OF CANDIDATE FOR  
SIERRA JOINT COMMUNITY COLLEGE DISTRICT  
TRUSTEE AREA 7**

**Aaron Klein**

**Occupation:** Small Business Owner

**Education and Qualifications:** This past year, the board approved a budget with a deficit of over a million dollars and borrowed millions more. Yet the board also approved hefty administrator pay increases while cutting course offerings and programs for students.

By changing our priorities, we can put students first, pay our employees a fair wage, avoid needless tax increases and balance the budget again.

As our financial condition improves, I want to expand the current campuses and build new ones in Roseville, Auburn and Truckee to serve the growing community. I want to ensure that Sierra College has the highest percentage of students transferring into the CSU and UC systems.

We also need world class vocational programs to train our nurses, law enforcement officers, and others who serve us. And we need to improve our financial aid programs so that every family can afford to send their children to college.

Sierra College is a remarkable institution and an asset to our community. I'm running for the Board of Trustees because I believe that with fiscally responsible management and the right set of priorities, we can make Sierra College even better. Join me at [AaronKlein.com](http://AaronKlein.com).
